

Lambda Pi Epsilon Newsletter. May, 1969

I would like to wish all of you the very best during the summer holidays. May the results of your exams be satisfactory (as I am sure they will be). To the graduates in particular, I would like to wish the best of luck in the future, and may all your dreams for the future come true. We all sincerely hope that you will keep in touch with us (the lowly undergrads), and that you will be able to attend our summer activities.

For the summer, our social, social works, sports, and special projects chairman are trying to plan as many things as we can do. Unfortunately, right at this moment, we have only two activities coming up:

Tuesday, June 3, 1969: Baby Shower for Monique Lundi's twins?? (So I hear)

Place: Kathy McNally
4332 Kensington

Time: 7:30

For more information, refer to your invitations, or call Sue Szuba at 523-2309, or Kathy, at 486-7067.

Saturday, June 14, 1969: Roller Skating Party

Place: Rekreatheque (spelling?)

You will be called and notified about the time, etc.. If you have any questions, call Kathy McNally.

Mondays: Time ; 7:30

Place: Shriner's Hospital. Anybody still interested can go Mandy nights. Stephanie Colvey will not be back at Loyola next year, but will still be going to the Shriner's. For the moment, there is still no replacement for the Social Works Chairman, but we'll find someone among the dedicated sisters, I'm sure. There may be a Car Wash coming, (it may already have happened by the time you receive this), but if it comes off, the money will be going for our little boy from Columbia.

Here is the case history of our little Columbian boy, Manuel Del Carmen Cadelo.

Birth Date: November 6, 1959.

Manuel lives in the slums of Buenaventura, a handsome and serious little boy, undaunted by the squalor of his world. His own father left home some years ago but sends the family what comes to 42¢ a day. He is an unskilled laborer, sawing wood. His own very old mother, 80, lives with them and depends on them. The mother cannot work because of small Jesus Antonio, 5. Three elder children, Carmen, 14, Huan, 10, and Elsa, 11, are living with relatives who are very poor but try to help in this way. All are going to school. They have been living elsewhere for only a year or two.

The family lives in a kind of rooming house, a shack of wood walls, zinc roof, that shelters other families. This family has three rooms in a space 10' by 39'. In the first room are double bed, 4 wooden chairs, table. In the next are a simple bed with its battered mattress and threadbare covers, small table and wardrobe, rope for hanging clothes. In the kitchen is the petroleum burner, and there

are a few utensils. Outside are the small flatroof for doing laundry, and a latrine. They spend \$10.00 on rent, \$1.00 on water and light, and \$1.00 on soap, \$2.00 on petroleum, all by the month, and school costs are \$2.00 a month. Meals are made of rice, beans, plantain, cheap soupmeat or fish, coffee or sugar-water.

Manuel del Carmen, a nice boy, likes school very much and wants to be a teacher. He is in the first grade. He is a friendly, cheerful and helpful little boy, and he loves to play football.

Plan aid for him helps the struggling family, with monthly cash grants, clothing and supplies, special family medical and dental care at our clinic, and the encouragement and guidance of social workers and directors. Not the least of all you give is a warm heart that really cares and wants to help.

HEIGHT: 4' WEIGHT: 49lbs. CHEST: 23"

Doesn't this last paragraph make you feel good. All these sorority sisters, and all have such WARM hearts.

To those of you who are wondering who is going away this summer and who is going to remain in this lovely city of Montreal, here we have the names and addresses of some of the girls that will not be with us this summer.

If you're going away this summer, and would like to receive letters from your sister, please send your summer address to Tania Stec, 5960 De Bellefeuille, Ville St. Leonard, Quebec. I'll be glad to print it in the next newsletter, and those of you who are staying in Montreal, and have nothing to do, write to a sister who's far away. I'm sure she'll be glad to hear from you.

Here is a copy of the latest letter from our family in India.

Dear Miss Colvey and Friends,

Please accept my humble thanks for that ten dollars you have sent me. My wonder was great when I saw that each one of you wrote me a few but very consoling words. Thank you very much for your good will towards me and my family. May God bless you all for all that you have done and are to me. I would like it so much to write each and every one of your letter. Unfortunately, I can't write myself. Trust you will excuse me for it. Please rest assured that all of us at home remember you and pray for you.

My eldest son is not quite well. He seems to have a nervous breakdown. Walter, my third son had a fall and both his hands have been fractured. He is better. From yesterday he is writing his public examination. Thank God he can use his write hand, though not quite well.

We all wish you a very happy Easter.

Yours very gratefully,
(Mrs. Marcine Pinto).

The copies of the pictures of the Awards Banquet that Malcolm took will be available to be ordered at our next meeting.

I also would ask all of you to be brave enough to submit articles into our newsletter. It can be a poem, a joke(clean please! ? !), something you read somewhere etc.. Please don't be afraid and remember that this newsletter is yours and anything of interest to you will probably be of interest to your sorority sister as well. No hesitations are permissible-punishable by law. Send all articles to Tania Stec.

To make this a little more than merely a sorority newsletter, I suggest that we name this paper. 'I second the motion,' said Charlie Brown. Well now that we need a name, we need you to suggest them. Anything will be considered and again, people without suggestions are punishable by the law of the state. The deadline is June 13, 1969. All suggestions must be mailed directly to Tania Stec. We need you(a dedicated sister) to participate). Thanks.

Thank you for having the patience to read this newsletter.
